## MEMBERS IN THE COMMUNITY

HPGM strives to increase the visibility of its members and its members' accomplishments. We have launched a new section in our e-newsletter in which we will be profiling HPGM members that we have helped place on a nonprofit board, referred to a career opportunity or nominated for an award.

HPGM is your connector, a HUB. We connect our members with career and board opportunities, business, and community partners. We also connect emerging leaders to current leaders.

### Carlos Amador-Domenech

Carlos has been with Junior Achievement since 2008 as a Resource Manager. Upon graduation in 2006 from Marquette University with a double major in International Business and Marketing, and a minor in his native Spanish language, he has put all his passion and commitment in finding ways to tap new resources and alliances that foster excellence in education for the community he serves. Aside from fostering relationships with Corporate Supporters and the community, he takes his experiences and drive into the classroom to present Junior Achievement curriculum to local youth. As a young professional he also outstands for his language, presentation and communications skills. He is an active member of the Creative Council-Fuel Milwaukee, Chair of the MENTE committee of HPGM and a board member for the Milwaukee Community Service Corporation. An avid reader; among his favorite authors are Dan Brown, Joseph Jaworski and Eckhart Tolle. He's also a firm's of endearment advocate.
