

FREQUENTLY ASKED QUESTIONS

i am

I am a Hispanic professional. Hispanics are the largest minority group in the US accounting for approximately 50.5 million or 16.3% of the population. Hispanics are projected to account for almost one third of the population by the year 2050 (Pew Hispanic Center, 2011). Wisconsin Hispanic professionals are a forte of knowledge, skills, abilities, aspirations, and talent.

you are

You are an investor in HPGM's growth. HPGM carefully designed a campaign based on member input from a cross section of participants. Your responses gave clear direction on how to proceed. You said to: proceed with confidence; remember our cultural value of 'persona-a-persona' connections; encourage members to respond at their personal level of giving; share the financial picture, needs, and accountability of the organization; and embrace the charge to pay forward the benefits members have received from HPGM and those Hispanic professionals who went before us.

we are

We are HPGM, a valuable organization recognized for its array of member offerings, including an annual leadership conference, graduate school scholarships, a mentorship program, and networking events. HPGM has emerged as a force elevating the perception of Hispanic professionals. It is critical to Latinos, the community, and the nation that we continue to grow and remain strong.

GROWING STRONGER!

HPGM will grow stronger with your partnership. Its long term sustainability defined by strength and continued growth, will be secured by your investment. Your partnership will allow HPGM to thrive, meet present and expanding needs, and be well prepared to respond quickly to changes like the recent recession.
